TO: ALL POTENTIAL OFFERORS

RE: RFP 4345-0-2014/DH, LED Displays at Scope Arena, Addendum 1

Due: August 15, 2013 at 2:00 p.m. local time

The above referenced IFB is hereby amended and clarified to include the following revisions to the solicitation documents:

1. Can you please confirm the alternate display size? The spec says 2.15 H x 7.5' W but the rendering shows 6' W.

R: The alternate display size is 2' x 6'.

2. Can we get copies of the rendering package in color? The version we received is in black and white.

R: A Colored copy of the rendering package is available at <http://www.norfolk.gov/bids.aspx?bidID=258> or <http://www.demandstar.com>.

3. For the bid response we have moved to a magazine style book, does that format require the tabs yet?

R: Tabs are not required. Ensure in the table of content each section is clearly identified.

4. Is there an electronic excel version of the bid form that we can get?

R: Yes. Please discard attachment G, bid form, that was issued with the RFP and insert attachment G, bid form, dated August 9 2013 included with this addendum.

5. What power is existing at each display location? If power is not at display location how far will secondary power need to be ran? Is conduit in place for any of the secondary runs?

R: At each existing display locations there are two (2), twenty (20) amps power supply.

6. What does the current primary structure consist of? Are there drawings that can be reviewed to determine what additional structure may be required?

R: The current primary structure is a steel frame. Drawings are not available.

City of NORFOLK

7. Under section 2 for processing and controls it states that all processing is to be housed within the courtside display. Does this mean we need to integrate with other vendors and if so, what are the systems we need to integrate with?

R: Delete Section II, Sub-Section B.2.c from the RFP.

8. For removals,

- a. How many existing displays are there?

R: Four (4) double sided displays.

- b. What are their current sizes?

R: Approximately 42".

9. For signal, are there conduits and fiber currently in place to each display location? If not, how far does conduit need to be extended for each display?

R: No.

10. If no fiber is in place, what is the distance of the run from the control location to the displays?

R: To ensure the correct distance, it is suggested offerors perform a site visit. In your proposal please provide price per foot for the fiber.

11. Will the TV's be wall or ceiling mounted?

R: Wall.

12. Is there a requirement on the brand of televisions?

R: No.

13. Was there a pre-bid conference or walk through for this RFP?

R: No.

14. If the answer to #1 is yes, could you provide me with a sign-in sheet with that names of those that attended?

R: N/A

15. Is there an engineer's estimate for this project?

R: No.

16. Page 1 of Exhibit G contains the words "Western Michigan University" and list items that are not referenced anywhere in the RFP Documents. Please clarify.

R: See question four (4).

All other provisions of the IFB shall remain unchanged. The provisions, herein, shall become part of the IFB package, and bidder shall acknowledge receipt of the Addendum by signing in the space provided below and returning it with the bid.
